Edge Profiling

*Please note that each piece has a top horizontal edge, bottom horizontal edge, & vertical corners to be addressed. For example: 1/8" roundover top horizontal edge, bottom edge & vertical corners square all sides of piece. Please indicate horizontal edges to be finished with an "X" on drawing. Please indicate vertical corners to be rounded with a "O" circle. Indicate amount of rounding. Unmarked edges will remain square.

Use the area below for drawing or include a drawing on separate page. We also accept electronic drawings in PDF, DXF and CAD formats.
